PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 1/3/2025.

On July 16, 2024, the judgement and sentence, including the conditions of supervision, were reviewed with Ms. Wendel, who signed the conditions acknowledging an understanding of them.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5

Special Condition # 4: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Corina Marie Wendel is considered to be in violation of her term of supervised release by ingesting methamphetamine, on or before January 3, 2025.

On January 3, 2025, Ms. Wendel reported to Life Renewal as requested. During this contact, Ms. Wendel completed a drug test which was presumptive dilute and positive for amphetamine/methamphetamine. The drug test report was later received from Abbott Laboratory confirming a dilute result for specific gravity and positive for amphetamine/methamphetamine.
